Contact:	cbordewieck@socialimpact.com , dsabet@socialimpact.com , jkresky@socialimpact.com
Annexes	Annex A: Budget Template Annex B: Draft protocols Annex C: Draft instrument Annex D: Report templates

1. **Question:** Will programming of the data collection templates be done by SI or the subcontractor?

SI Response: SI has no strong preference for which entity will do the programming

2. **Question:** What is the full length of the enumerator training plus piloting?

SI Response: There will be four days of training on data collection, followed by 2-4 days of piloting in the field. This is a total of 6 to 8 days for training and piloting.

3. **Question:** May the subcontractor propose new or additional strategies for data quality control?

SI Response: Subcontractors are welcome to propose new or additional strategies to strengthen and supplement what has been outlined in the RFP.
